

Blast Off for Big Rewards on Galactic Gopher

There's a comical outer space feel to the latest video slot awaiting players at Platinum Play Online Casino this week in a game that offers action for everyone through an entertaining combination of Wild, Multiplier, Scatter, Free Spin and Gamble features guaranteed to deliver entertainment and the opportunity to score out-of-this-world rewards.

Belize City, Belize, August 15, 2008 --(PR.com)-- [The Adventures of the Galactic Gopher](#) is a 5 reel, 30 pay-line video slot with a way-out theme populated by imaginatively weird and colorful aliens having a ball as they present a variety of winning features to the player.

The key symbols in this game are the spaceship and the Galactic Gopher himself, with the critter running Wild and the ship operating as the Scatter...and the key to a Free Spins feature. This delivers up to 10 re-triggering freebies but keep a sharp eye out...where a rocket blasting off indicates a mystery multiplier win as the smoke clears.

Packing more action into an already exciting game, Galactic Gopher offers a Gamble feature in which players can double their winnings by choosing the right color, or quadruple them by guessing the right suit.

This brand new advanced video slot will keep players amused for hours with its multi-featured action and chances to earn astronomical rewards, and it's available right now at [Platinum Play Online Casino](#).
