

Click Consult Launch New Website

Click Consult, a leading UK Search Marketing Agency, has launched a new website. The new site went live on Wednesday, August 20th, 2008, and can be viewed at www.clickconsult.co.uk.

Cheshire, United Kingdom, August 21, 2008 --(PR.com)-- The website is divided into six main sections: [Pay Per Click](#) (PPC), [Search Engine Optimisation](#) (SEO), web development, affiliate marketing, e-mail marketing and online PR. For each section, the site chronicles the latest industry news and outlines the clear strategic benefits of outsourcing to Click Consult. Through one of three contact options - including a new 'Live Chat' feature', which provides an instant response from a trained representative - a visitor can enquire about any service. In the same manner, those visitors who require a more complete internet marketing solution can make an enquiry for up to six services.

The site also provides a Clicktelligence login for existing clients. Clicktelligence allows clients to view detailed reports for each service they have signed up for. The new feature provides clients with a comprehensive overview of their online advertising, as all PPC, SEO, affiliate marketing, e-mail marketing and online PR reports can be viewed in one place.

Matt Bullas, Managing Director of Click Consult, commented: “The new website provides a compelling case for a [complete internet marketing package with up to six services](#). We want our clients to reap the efficiency and cost savings that come from having everything under one roof. And with our new, all-encompassing Clicktelligence reporting feature, the monetary value associated with these synergies no longer remains a mystery to the client.”
