

It's Not All About Doom and Gloom Opportunity Knocks Capital Equity Inc. a Commercial Real Estate Finance Firm Expands to a New Location

Tustin, CA, August 24, 2008 --(PR.com)-- Capitalequitydotcom known as Capital Equity Inc. a Commercial Real Estate Finance Company (since 1989) has announced that it has moved to new facilities to the City of Tustin Ca. located at 1432 Edinger Ave Suite 130 Tustin Ca 92780.

The company cited the commercial real estate finance sector's sluggish and tight lending markets are offering more opportunities for growth in the private capital side of the equation.

"We are excited about our move to new offices in Tustin" said Demetri Gutierrez, a USC and Harvard Business School Graduate and the company's founder, who happens to be one of the original founding shareholders in Santa Ana Business Bank in a statement. "Our new location will allow Capital Equity Inc. to better serve many of our Commercial Real Estate investor and developer clients who are always seeking new capital sources for Refinance, Purchase, Construction or Bridge for Apartment Buildings, Mobile Home Parks, Self Storage and Retail Shopping Centers and will also allow us an opportunity to further grow and add new staff and resources." Many of our clients e-mail us at gocapitalequity@aol.com or stop by for a free quote or just to say hello, Demetri said in a statement.
