

## **The Younique Boutique Launches Baby Photo Quilts**

*Baby Photo Quilts are 38 x 48 inches and allow for 10 or 20 photos of baby's family members. They are made in 100% cotton and cuddle fleece and make a perfect baby shower gift.*

San Marcos, CA, August 25, 2008 --(PR.com)-- The Younique Boutique launched its new line of Baby Photo Quilts this week. The smaller version of their popular Photo Quilt, Baby Photo Quilts are made specifically for the nursery. They feature a soft, cuddle fleece back and 100% cotton, quilted front. Customers may submit either 10 or 20 photos of the baby's relatives along with their names.

Studies show that babies recognize faces from a very early age. The Baby Photo Quilt makes an excellent learning tool and also serves as a special keepsake.

Larger throw size Photo Quilts are sold for many special occasions. They make especially great [wedding anniversary gifts](#) and [personalized wedding gifts](#). Photo Quilts are currently available in six fashionable shades. Customers can submit between 1 and 45 family photos to be transferred in color, black and white or sepia tone.

Customers can either submit their photos to The Younique Boutique via the File Upload Tool or by mail. The File Upload Tool allows customers to rename their files on the fly, delete excess files and add additional files.

Started in 2002 in the family garage, The Younique Boutique is the brainchild of artist Brina Jannenga and her mother, Ruthie Friedman. A graduate of San Diego State University with a Bachelors Degree in Fine Arts, Brina considers making and selling her line of handcrafted unique [personalized gifts](#) her life's passion.

The Younique Boutique is operated in San Marcos, California. They sell a total of 26 personalized gift product lines exclusively through their suite of web sites.
