*What are the hot new fashion trends for baby, coming out of L.A. this season? Southern California based on-line store, Recurrent Dreams Baby Boutique, has compiled the ten top trends in unique baby clothes and little girl dresses to watch for.*

Los Angeles, CA, August 31, 2008 --(PR.com)-- Parents across America are shunning traditional baby clothing and reaching for trendy [unique baby clothes](#) for their children this season. And who can blame them, with the new wave of celebrity babies sporting the latest trends, and looking fabulous baby. In fact, the [luxury baby gifts](#) and infant apparel market has grown 12% this year, despite the rise in gas prices and the slumping housing market. What are the hot new trends, coming out of fashion forward Los Angeles this season? Southern California based on-line store, Recurrent Dreams Baby Boutique, has compiled the ten top trends in [hip baby clothes](#) and [little girl dresses](#) to watch for.

“When selecting our top 10 list, we critiqued the fashions coming out of the trendy Los Angeles designers showrooms this season “ states D. Torress, owner of Recurrent Dreams Baby Boutique. “The best of the best were the easy-breezy lifestyle fashions that speak of global community, with a luxurious edge. Sweat shop baby clothing is out, and free trade is in. Top trends reveal earthy color palettes of pomegranate, turquoise and brown, newborn gowns made from silky eco-friendly bamboo, and east meets west inspired kimono rompers. Cottons from Australia, USA and Peruvian co-ops are sumptuous. Anything with elephants and monkeys are very cool, and urban street style makes a come back with fresh surf, skate and rock themes".
