

## **Inkubook Photo Book Maker Launches Inkublog**

*Blog will Provide Tips, Tricks, and Expert Advice to Empower Users to Build Better Photo Books.*

Bloomington, IN, September 10, 2008 --(PR.com)-- [Inkubook](#) -- the fun, collaborative Web site where users of all abilities can turn digital photos and ideas into a professionally printed [photo book](#) - has launched Inkublog - an interactive online forum to provide users with tips and tricks for building better photo books.

"[Inkublog](#) enhances the collaborative capabilities of Inkubook by providing a place users can share their experiences with Inkubook and their tips for making a drop-dead gorgeous photo book," said Dave McCauley, president of Inkubook.

Inkubook, an [Author Solutions](#) brand, leverages ASI's technological and publishing expertise to present an intuitive, simple platform for users of all levels. Finished books are printed on high-quality 100-pound archival-quality silk paper, and feature durable custom soft covers and hard covers that will stand the test of time. As few as one book can be ordered at a time.
