

## **Cellhut Announces Columbus Day Sales**

*One of the internet's leading sellers of unlocked phones is having a special Columbus Day sale.*

New York, NY, September 17, 2008 --(PR.com)-- Just like the man the holiday is named after, Cellhut is leading shoppers into new discount territory with the Columbus Day sale in effect until October 21st. Cellhut is inviting everyone to save on some of the most capable phone models, and take advantage of the newest technology available.

Cellhut is one of the most successful e-commerce websites. Since 1996, the company has been known for their commitment to low prices and the best selection of unlocked cell phones and accessories. Cellhut strives to stay on top of the technological curve and offer the best performing phones while avoiding models that aren't reviewed well.

The LG TU720/CU720 is available for \$192.99. This great looking phone has features to match and is the perfect solution for the on-the-go user. By blending productivity and style in a complete package, LG has managed to create a phone that fits any situation. Some of the great technology featured with this phone includes a 2 Megapixel Camera, Bluetooth connectivity, and a 3G-Band. The slider mechanism of the phone that reveals the keypad is very sturdy and will stand up to repeated uses. All in all, a very well constructed phone that has great features to match.

The Motorola SLVR L7i is available for \$139.99 and is one of the best candybar phones on the market. With its slim profile and shiny exterior, the SLVR is a must for anyone who wants a fasion-forward phone with awesome productivity features. With its 1 Megapixel Camera and Bluetooth Connection, this phone is the perfect solution to the overly complicated cellphones available on the market.
