

See the BMW 128i at Irvine BMW

The 128i Offers Luxury with Economic MPG.

Irvine, CA, September 20, 2008 --(PR.com)-- Irvine BMW is inviting all Southern California residents to stop by and check out the 2009 BMW 128i.

“The 128i features all the classic power of BMW handling and style,” said General Sales Manager Paul Liu.

Forty years in the making, the model starts at \$28,600 MSRP. With its 230 horsepower, 3-liter, 6-cylinder engine, the 128i offers an estimated 28 miles per gallon. It features Dynamic Stability Control, Dynamic Traction Control, 6-speed STEPTRONIC with Paddle Shifters and is equipped with full safety features. The 128i is also available as a convertible.

The BMW 128i features bluetooth wireless technology that connects your mobile phone to your vehicle for hands-free calling. With multifunction keys on the steering wheel, you can browse through your phonebook and make calls. It is just a one step process to connect your mobile phone to your vehicle. The BMW 128i also features an onboard navigation system, HD radio and iPod/iPhone USB Integrated System.

As the largest BMW center on the West Coast, Irvine BMW has served Southern California loyally for almost a decade. The dealership's helpful and knowledgeable staff, expert factory-trained technicians and one of the nation's largest selections of new and certified pre-owned BMWs have made Irvine BMW a landmark in Southern California's automotive landscape. Visit us today at 9881 Research Drive in Irvine or at irvinebmw.com.
