

SaveGasAmerica.Net and 4E-corp Release Fuel Reformulator Product to the Public

See what Fox News, NBC News and others are saying about this tested and proven product used by the U.S. Government in Iraq that will reduce engine wear and increase your gas mileage up to 7 to 19% in any vehicle with a gas or diesel engine.

Elmendorf, TX, May 20, 2006 --(PR.com)-- Here's your chance to fight back and bring your fuel cost way down. See what FOX and NBC say about this patented product.

Ethos FR is non-toxic, non-hazardous and works with any fuel used in cars, trucks, buses, RV's, ships, trains and generators. Ethos FR reduces fuel costs by producing a net gain in mileage above cost.

Ethos Environmental offers a cost effective solution to help industry meet environmental regulations and relieve skyrocketing fuel prices. Hundreds of millions of miles of road tests have proven that commercial fleets on average increase fuel mileage between 7% and 19% and reduce emissions by more than 30%.

Here are just a few of the FACTS:

A 10 year old company... not a start-up!

15 years of research and development!

100 million in sales per year worldwide!

US military currently using product in Iraq!

Manufacturer to Consumer marketing = No Middle Man!

50 containers (80, 55 gallon drums) per month shipped to China!

Put personal vehicle or your fleet to the test and experience the results for yourself.
