

HBstop.com Announces the Launch of Its New Website - Home Business Stop is Going Worldwide

HBstop.com Announces the Launch of Its New Website. Home Business information and the 8 minute GDi video can be found on the site for those seeking to make money online via the internet. Global Domains International, also known as GDI has been around for over 9 years and continues to grow.

Rancho Santa Margarita, CA, October 21, 2008 --([PR.com](#))-- [HBstop.com](#) Announces the Launch of Its New Website. "This is the easiest way to make money online that I've ever seen. It is the opportunity of a lifetime, it allows you to work from home, make money while you sleep and it is all done without selling anything. All you need is an internet connection." Said Marc Harris, CEO of NoCobra.com, Inc.

Home Business information and the 8 minute GDi video can be found at [HBstop.com](#) for those seeking to make money online via the internet. Global Domains International, also known as GDI has been around for over 9 years and continues to grow.

This is a multi-billion dollar industry and people are making over \$10,000 residual income within their first 100 days. There is a 5 minute You Tube video on the website which explains the Spiderweb System and GDi.

The first step is to watch the 8 minute video.

Then, the [Income Calculator](#) allows forecasting your income potential.

Finally, it only takes 60 seconds to enroll in the [free 7 Day Trial](#). It is 100% free.

Most of America is on a mission to create financial freedom. It is the American Dream to own a company and work from home. More information on the ability to make money online within 8 minutes can be found at [HBstop.com](#).
