

Get Sexy with Super Sexy Custom Couture T-Shirts and Tank Tops That Express YOU!

Union, NJ, April 28, 2005 --(PR.com)-- Anna Pereira is creating custom couture t-shirts and tank tops!

Made-to-order airbrushed and embellished custom shirts are available at SuperSexyClothing.com.

New Jersey-based designer Anna Pereira creates custom stencils which she uses to initially airbrush designs and then she embellishes with glitter and/or Swarovski crystals. Each item is custom made, after the customer chooses the shirt's style, color and size. Text style and embellishment options range from plain text to glitter enhanced to Swarovski crystal encrusted. Super Sexy has been approved by Swarovski and has been assigned an ID number verifying the garments have been crystallized with Swarovski Crystals.

Some of the custom requests include such quirky verbiage as Silicone, Turn Up the Valium, Don't Cry If I Reject You...I'm Out of Tissues, Yes Your Highness (Practice That), Celebrity Party Crasher (It's Not a Party Until I Arrive), The World Doesn't Revolve Around You (It Revolves Around Me) and You'll Do for Now.

Anna Kournikova owns an "I Love Enrique," while Ice-T's ubiquitous girlfriend Coco has one with her name on it and one to promote her website www.CocosWorld.com.

Last summer the most popular request were the "Mrs. So-So" shirts, a la Madonna and her "Mrs. Richie" tank. Jersey-girl Pereira has plenty of examples on her website of the "Mrs." or "Soon to Be Mrs."

Shirts are machine washable and come in sizes Small through XXL. Super Sexy's 'You Design It!' products allow you to express a personal statement with endless designing options. Prices start at \$45, with the average custom made shirt costing about \$70; www.SuperSexyClothing.com.

Recently the "Super Sexy" logo itself has taken center stage. Britney Spears and Carmen Electra recently received a "My Husband Is Super Sexy" Tank top. Paris Hilton and Pamela Anderson were gifted with "My Boyfriend Is Super Sexy" and "God Is Super Sexy" Tank tops.

Anna is now putting her artistic background to work by creating a line of hand painted and crystal jeweled tank tops and t-shirts with metallic painted flowers, hearts and other drop dead gorgeous designs.
