

Prime Visibility Celebrates First Anniversary of Sending Optimized Press Releases

Clients Benefit from SEO/ SEM Solutions that Increase Exposure and Brand Recognition.

Bethpage, NY, June 23, 2006 --(PR.com)-- Prime Visibility, recognized leaders in [Search Engine Marketing](#), marks their first anniversary of writing and distributing optimized press releases for their clientele.

“Our web marketing methods, including Natural Organic Search Engine Optimization, Keyword Research, Online Media Buys, Pay Per Click Management, and Link Building Services have proven their effectiveness as online visibility optimization tools,” said Andrew Hazen, President and CEO of Prime Visibility, LLC. He continues, “With the additional service of well-written optimized press release distribution, we have taken SEO to the next level. Journalists scan search engines on a daily basis and find business news in the form of our optimized press releases and share this information about our clients with the public, thereby reaching new prospects.”

The greatest benefits of Prime Visibility's [Optimized Press Release Service](#) are:

- Establishment of trusted long-term one-way inbound links to your website from trusted news media outlets
- Keyword-rich professionally optimized content increases exposure and enhances online brand awareness
- Publicity is generated for new services, products or promotions
- Creates fresh new content implemented into websites as updates

Prime Visibility develops marketing strategies that exponentially increase a website's visibility and deliver a tremendous amount of qualified traffic, while lowering customer acquisition costs. Customer feedback has been positive with comments in favor of optimized press release services as a great enhancement to traditional online marketing efforts.
