Networking skills for professionals is a necessity in today's business environment, without a broad network of people you may find yourself at the end of the race. Survival in today's environment is critical towards continued success so if this is your first event or the first in a long time, ISM-FFC is providing the venue so stop procrastinating and get out for fun, food and good company.

Remember the old saying, "It's all about who you know"? Well that could not be so true and members and non-members of ISM-FFC's North Florida Affiliate is living proof. The affiliate is comprised of members throughout the area from entrepreneurs to fortune 500 companies and provides additional events to educate, certify and recognize contributors of the profession.

All Non-Member Attendees Will Receive The Option For a 6 Month Free Membership at the Event.

Founded in 1915, the Institute for Supply Management (ISM) is the largest supply management association in the world as well as one of the most respected.

ISM's mission is to lead the supply management profession through its standards of excellence, research, promotional activities, and education.

ISM's membership base includes more than 40,000 supply management members' professionals with a network of domestic and international affiliated associations.

ISM is a non-profit association that provides opportunities for the promotion of the profession and expansion of professional skills and knowledge.
