

Visionary iGaming Brings Live Dealer 2.0 to AmsterdamsCasino.com

Visionary iGaming to supply AmsterdamsCasino.com with live online casino games.

London, United Kingdom, November 19, 2009 --([PR.com](#))-- Visionary iGaming, the premium supplier of [Live Dealer 2.0](#) games, has signed a license agreement with Holland's largest online casino, AmsterdamsCasino.com, for the delivery of LiveCasinoGameFeed. Under the terms of the agreement Visionary iGaming will provide live roulette, baccarat and its proprietary blackjack to the highly visited Dutch site.

AmsterdamsCasino.com has established itself as the leader in the Dutch online casino market catering to thousands of active players each month. A spokesperson for AmsterdamsCasino.com stated, "We have made a strategic decision in choosing Visionary iGaming to help us meet our player's demand for live casino games. We selected ViG because they are an innovative group offering exceptional video and audio along with the most interactive live dealer experience available in the market."

Martin Reiner, CEO of Visionary iGaming said, "We are thrilled to provide our LiveCasinoGameFeed product to AmsterdamsCasino.com. This deal helps solidify Visionary iGaming as a leader in the live dealer market and proves there is room for another premier live gaming provider. Players and operators alike seek rich gaming experiences and it is our mission to offer the market a high quality alternative featuring highly professional and engaging live dealers."

Visionary iGaming's live dealer games have been available around the clock on AmsterdamsCasino.com for a number of weeks and have been received with great success. Gross gaming revenues are growing rapidly and player tips to ViG's live dealers are through the roof, confirming how much players are enjoying their experience.

About Visionary iGaming

Visionary iGaming (www.visionaryigaming.com) is a live dealer provider specializing in licensing the highest quality live casino games available over the internet. The company's games include Live Roulette, Live Baccarat, Live Blackjack Early Payout™, and Live Caribbean Poker targeted for release in early 2010. Visionary iGaming offers three core business models which enable the licensing of its games to existing operators seeking to integrate live dealer games, new operators seeking a turnkey online solution, or betting shops seeking to operate in café-like environments.
