The leading supplier of Medical Uniforms, Uniform Advantage, is now shipping to Canada

Plantation, FL, November 26, 2009 --(PR.com)-- Uniform Advantage, the leading provider of [medical scrubs](#) and nursing uniforms online, is now shipping to Canada. Uniform Advantage has been providing the medical industry with comfortable, high-quality nursing scrubs, surgical caps, hospital uniforms, stethoscopes, shoes, and medical lab coats for decades. Uniform Advantage not only carries name brands such as Cherokee Uniforms, Landau Scrubs, [Dickies Medical Scrubs](#), Dansko Shoes, and Crocs Shoes, but they also sell their own product line of [UA Scrubs®](#) and UA Footwear®.

Uniform Advantage has been exploring means of getting their product to other valued customers outside of the United States, and it's only fitting that they start close to home by shipping to Canada. Most Canada orders will be processed within 48 hours, excluding weekends and holidays, so customers in Canada could expect their order within 10 business days.

Uniform Advantage is confident that Canadian customers will love the excellent customer service and superior medical scrubs that U.S. customers have been enjoying for years. Their vast selection of scrubs and uniforms has expanded this year to include new lines such as: Koi Scrubs, Grey's Anatomy scrubs, Iguana Med Scrubs, and LA Rose. Not to mention, the exclusive UA Scrubs line has several collections that set Uniform Advantage's medical scrub choices apart from the rest.

Customers in Canada can also benefit from Uniform Advantage's user-friendly website. With their shopping assistants customers can narrow down search options to better find the [nursing uniforms](#) they are looking for. And with a page solely dedicated to Canada shipping, information is easily accessible and thoroughly outlined.
