Bangkok, Thailand, October 16, 2006 --(PR.com)-- A new site offers over 1000 fine Asian home decor items all made from natural materials. If you want to incorporate fresh ideas coupled with Asian interior design in your home or business then your search ends here. Online shop, where you can purchase handcrafted, high quality, unique and beautiful items from Burma, Laos, Thailand and Indonesia including limited edition of Asian art, home decor items and gifts. Each item within the store is handcrafted by talented, creative artisans. Unique online shop dedicated by people for helping people, Home-Decor-Asia.com.

Today's launch of Home-DecorAsia.com, a unique website and online store offering a limited edition of Asian art, furniture, home decor items, jewelry and gifts. The purpose of Home-Decor-Asia.com is to provide a global sales outlet to talented, creative artisans and an income on the principal of fair trade for those who can supply high quality fine Asian home decorating products.

Home-Decor-Asia.com inspires people to take their own self-exploration journey via its exotic online shop. Visitors to the website are able to easily explore the Home-Decor-Asia.com online shop, where they can purchase handcrafted, high quality, unique and beautiful items including limited edition of Asian art, Asian design furniture, baskets and boxes, candles, cushions decorative Buddha items, frames and mirrors, furniture, gifts, jewelry, lamps, oriental masterpieces, pottery, tableware and vases.

Founder Wiwien Bachmann was born in Banjarmasin, Kalimantan, Indonesia. In 2001 she moved to Thailand where her personal interest in Asian design, art and cultures and a commitment to promote artful creations from Southeast Asia resulted in the establishment of Home-Decor-Asia.com, a unique online shop.

"Our new website combines my social goals with an online store, where one can purchase high quality, beautiful products," says Wiwien. "In designing and creating quality handmade products, we work with talented artisans to express their own creativity and individual workmanship, and customers who purchase our items validate the creative individuality of that artisan and designer."

About Home-DecorAsia.com:

Home-Decor-Asia.com is a Bangkok-based company and online store. The company sells a variety of items from Burma, Laos, Thailand and Indonesia through their online store. Home-Decor-Asia.com offers a hand-picked selection of limited edition of Asian art, furniture, home decor items, jewelry and gifts.

The company favors natural and exotic materials such as mango wood, teak wood, water hyacinth, ceramic, silk and handcrafted saa paper. Most of the items are created in collaboration with artisans who are enriched both mentally and economically by Home-DecorAsia.com and its customers.
