

## **Outside the Lines, Inc. Introduces Online Hospitality Forum Covering Human Resources, Recruiting & General Interest Issues for the Restaurant, Hotel & Wine Industries**

Sonoma, CA, November 16, 2006 --(PR.com)-- Outside the Lines, Inc. (OTL), a consulting company based in the California Wine Country, today announced the addition of their Wine & Hospitality Forum to their sister site WineAndHospitalityJobs.com. The forum can be found online at <http://www.wineandhospitalityjobs.com/forums>. Already a content-rich website, this latest addition sets the stage for a new means for members to connect, communicate & create.

The internet has, in recent years, become a very popular medium for personal expression. The Wine And Hospitality Forum allows members to customize both how their posts display to others (for example avatars, user profiles and signatures) and how the board appears to them. This member-based forum was created to cover a variety of topics pertinent to the Wine & Hospitality Industry, giving members the ability to share experiences, ideas and aspirations.

“The goal for WineAndHospitalityJobs.com has always been to provide as much current industry information as possible. Our job board connects employers and job seekers across the country. Both of our sites, [OTLConsulting.com](http://OTLConsulting.com) & [WineAndHospitalityJobs.com](http://WineAndHospitalityJobs.com) have numerous articles of reference, industry FAQ's and links to resources on the latest Hospitality Industry news” states Margie Tosch, President & Founder of OTL & W&HJ.com. “Our new forum is a more casual environment where members can peruse issues, voice opinions & receive feedback from industry experts as well as peers.”

Outside the Lines, Inc. can be reached at 707.933.0687 or online at [OTLConsulting.com](http://OTLConsulting.com).

About Outside the Lines, Inc.: Outside the Lines, Inc., was founded to provide innovative and creative human resources & training consulting and full-service recruitment & recruitment support solutions.
