

Flat Earth Trading Co. Launches New Line of Hand Crafted Jewelry Displays

Tucson, AZ, January 03, 2007 --(PR.com)-- Flat Earth Trading Co. has launched a new line of hand crafted jewelry displays including a variety of necklace displays; hand displays for use with rings, watches and bracelets; earring and sunglass displays. These beautifully hand carved wood jewelry displays will enable you to enhance your in-store visual presentation while at the same time setting you apart from your competition. Flat Earth Trading Co. understands the impact that a powerful visual presentation high-quality displays can make on the success of your business.

Flat Earth Trading Co, a Tucson, AZ based manufacturer and importer of hand crafted products made in and around the world. Flat Earth Trading Co. carries a wide range of products from sterling silver jewelry, hand carved Tiki and tribal masks, stone carved Buddhas, hand crafted jewelry displays and dozens of other products. Don't let their low prices fool you, the product quality is as good, or in most instances better than those products priced much higher. At Flat Earth Trading Co., they believe you deserve authentic and quality treasures from around the world at wholesale prices. Treasures made by skillful hands with the experience of many generations; generations that go back to the time when earth was believed to be flat. The service you receive at Flat Earth Trading Co. sets them apart from their competitors, and ensures your complete satisfaction.

Flat Earth Trading Co. sells wholesale to businesses around the world and online at www.flatearthtrading.com.

For the latest information on their product line or to receive the latest jewelry display catalog, please visit their website at www.flatearthtrading.com or call 888-716-0406. If you do not see what you are looking for, please call as there are new items arriving daily.
