

NFN Travel Launches a Nudist Vacation Club

Brought to you by NFN Travel International, the Club NFN Network will provide a free meeting place for nudists, naturists, and those interested in the clothing optional vacation experience.

Lake Forest, CA, February 06, 2007 --([PR.com](#))-- NFN Travel International launches the [Club NFN Network](#), a private club for nudists, naturists, and anyone interested in vacationing au natural.

The features of the Club's database driven platform include:

Free membership. NFN Travel supports the Club in its entirety in an effort to provide clients with a place to communicate travel experiences to other members.

Photo uploads. Each member can upload up to ten photos to accompany their profile.

Member Bulletin Board. Members may post messages on a bulletin board for all members to view. The board is useful for learning travel schedules of other members and provides opportunity for contact by members traveling at the same time.

Each member who books a vacation through NFN Travel International, will receive a \$50.00 cash rebate on completion of their vacation.

Formerly the "Nudist Friends Network" Club NFN is a free community where members can communicate with each other using a secure messaging system that does not reveal a member's email address. NFN Travel's CEO, Aaron Block has nurtured his idea of a secure and discreet Club platform for the past five years and after hundreds of hours of development time, launched the beta version January 22, 2007 with complete transition occurring on Feb 1, 2007. Over 1,300 member applications were registered during the first five days after launch.

NFN Travel International, is one of the leading travel agencies specializing in clothing optional destinations. Owners of NudePlaces.com, NFN has been in operation for the past five years and continues to provide its clients with an online presence that includes a classic personalized and customized travel experience.
