

## **Trupanion Pet Insurance Expands to Connecticut**

*Dog and cat owners in Connecticut now have a new option when it comes to pet insurance.*

Seattle, WA, February 28, 2011 --([PR.com](http://PR.com))-- Trupanion, the nation's fastest growing [pet health insurance](#) company, has announced an expansion into Connecticut effective immediately. This expansion will allow Trupanion to meet the underserved needs of Connecticut pet owners looking for health coverage for dogs and cats at a reasonable cost.

“We operate under a core set of values that have led us to develop a product that allows pet owners to see any vet they choose with no benefit fee schedules or payout limits,” said Darryl Rawlings, Chief Executive Officer at Trupanion. “There are also no penalties for making claims or because your pet has a birthday. We are the only pet insurance option with these important distinctions.”

Residents of Connecticut can now enroll online at [www.trupanion.com](http://www.trupanion.com), or by phone at 800.569.7913. Free quotes are also available via both methods.

Pet insurance covers the cost of unexpected accidents and illnesses in pets. Trupanion offers a lifetime pet insurance policy for dogs and cats with 90% coverage and no payout limits per claim or per year.

### **About Trupanion™**

Trupanion™ pet insurance offers cat insurance and dog insurance in the United States and Canada. Trupanion™ is self-underwritten by the American Pet Insurance Company, allowing Trupanion™ to offer a simple, customizable pet insurance policy with no payout limits and 90% coverage of veterinary bills. Enrolled pets receive lifetime coverage for diagnostic tests, surgeries, and medications if they get sick or are injured, with no incident, annual or lifetime limit. Trupanion's mission is to deliver fast, simple and user-friendly financial support to pet owners. For more information about Trupanion™, call 800-569-7913 or visit <http://www.TrupanionPetInsurance.com>.

### **About the North American Pet Health Insurance Association**

Trupanion™ is a founding member of the North American Pet Health Insurance Association (NAPHIA). Founded in 2007, the North American Pet Health Insurance Association is committed to educating and promoting the values and benefits of quality pet health insurance to North American pet owners, the general public, and the veterinary community. As an association, we are committed to high standards and transparency in all of our actions and products. To learn more, visit the North American Pet Health Insurance Association website at <http://www.naphia.org>.
