

## **INOX Jewelry Presents Summer 2011 Catalog Featuring Fresh Stainless Steel Collections**

*Stainless Steel Jewelry Brand - INOX has released its newest catalog which includes the brand new women's and men's designs as well as the new selections of titanium bracelets and rings.*

Norwalk, CT, August 19, 2011 --([PR.com](http://PR.com))-- Introducing all new collections, INOX Jewelry presents its 2011 Summer Steel Jewelry. With 44 pages full of stylish and edgy jewelry pieces for both men and women, retailers now have more choices available to offer their customers this season. Available to all INOX wholesale customers, the Summer 2011 catalog will showcase 24 fresh collections.

On the forefront is the new design of the Interchangeable Ring that has a more subtle and casual look. The catalog will also introduce INOX Jewelry's new Titanium line composed a variety of bracelets and rings for men. Another highlight is INOX Jewelry's Charm Necklaces, an innovative accessory created for both men and women that gives customers the luxury of choice and individuality.

More unique and interesting designs are available for retailers wanting to refresh their inventory. For women's jewelry, mesh accessories continue to appeal to many customers today. INOX Jewelry presents 12 new designs which include necklaces, bracelets and earrings that incorporate the innovative form of mesh to satisfy demand for classy accessories. Also available is a wide array of drop and hanging earrings ranging from polished steel, flowing fringes and patterned textures.

For retailers wanting to add more masculinity to their inventory, INOX's 2011 Summer catalog presents new designs of leather bracelets for men. More innovative and stylish steel link bracelets are also featured bearing INOX Jewelry's precision craftsmanship. A full spread showcasing the latest styles of Cobalt Chrome rings will also be a spotlight in this catalog.

The 2011 Summer Steel Jewelry catalog is now available to all INOX customers via mail and can also be downloaded from [www.inox-us.com/catalogs](http://www.inox-us.com/catalogs).

INOX Jewelry, a brand of Salesone International, consists of more than 1400 different 316L Stainless Steel and Tungsten jewelry in a variety of styles for both men and women. INOX Jewelry's strong points come from providing high quality affordable products that appeal to almost any customer base around the world.
