New York, NY, October 14, 2005 --([PR.com](http://PR.com))-- Custom Couture T-shirt Designer, Anna Pereira's clothing line [Super Sexy](http://SuperSexy.com), LLC has just signed on with Union 705, LLC to represent the line throughout the entire Midwestern Region of the United States.

Union 705 LLC owner and sales representative, Tracy Buttron will represent Super Sexy painted and Swarovski crystal embellished exclusive T-shirts and tank tops in the following states throughout the mid west: Illinois, Michigan, Wisconsin, Ohio, Indiana, Minnesota, Indiana, Missouri, Nebraska, South Dakota, and North Dakota. Tracy Buttron is very excited about the true unique nature of the Super Sexy line. "Each piece is like a snowflake," states Buttron. Super Sexy owner Anna Pereira is a trained artist who embellishes blank garments with airbrushed designs, hand painted designs, prong free hand applied Swarovski crystals and hand set ribbon corset lacing. Each garment is an original work of art and made to order. Sales rep, Buttron, will present catalogs with various designing options to buyers allowing them to design an exclusive custom original. With the Super Sexy line, buyers have the opportunity to hand pick: Design and shirt style; paint color(s) and embellishments (crystals, corsets).

Retailers will be able to essentially "design" the shirts that they would like to sell in their stores. This is a concept that Super Sexy is pioneering in the business to business fashion market.

Tracy Buttron and Union 705 LLC currently represents the following fashion lines: Super Sexy, Christopher Fischer, Lauren Hansen, Smith's American Apparel, Linda Segal and Tammy Mars.

Buttron will be showcasing Super Sexy Shirts at Stylemax from October 22 through October 25, 2005. Stylemax is taking place at The Merchandise Mart, located at 200 World Trade Center, 7th floor, Chicago, IL 60654. ### **About Super Sexy:**

Anna Pereira wanted to create a one of a kind garment that was composed of the highest quality elements available for all Super Sexy females. She devised a plan to create a clothing line that allowed the customer to express themselves utilizing the elements of:

**Airbrushing** - Since there are so many beautiful paint colors and the design itself stretches with the garment, the design doesn't pucker, crack, fade or peel off.

**Genuine Swarovski Crystal Rhinestones**, individually hand applied - only the most magnificent rhinestones individually applied would satisfy her; rather than cheap rhinestones that are affixed with unsightly 'prongs' around the rhinestones (not to mention a nuisance).

Unique Exclusive Originals - Allowing you to have a hand in designing your own garment. Super Sexy garments are made in the USA and machine washable.
