

S. D. Professionals, LLC Unveils Global Online Image

New Web Site Features Creativity, Faster Solutions and Competitive Pricing

Sevierville, TN, April 20, 2007 --(PR.com)-- S. D. Professionals, LLC, an all-solution Web development and multimedia production firm, announced today that they launched their new Web site with a cutting-edge and user-friendly design. While capturing S. D. Professionals' global brand identity, the new Web site, www.sdwebpros.com, demonstrates the company's commitment to creativity and technology for clients worldwide.

S.D. Professionals, LLC has recently received a glowing testimonial from Dolly Parton:

..."S.D. Professionals, LLC has done work for me off-and-on for several years, not only for me personally and my businesses outside of Dollywood but also for my Imagination Library and other businesses I have. I think the work they do is unequaled to the others I have seen. His work is not only incredible, but he is an incredible human being as well. I consider Jacob Timmons (managing member S.D. Professionals, LLC) a friend and someone I admire and respect." ... Dolly Parton

Key features reflect the image of the company as well as its professional-grade work:

- Ability to build custom Web sites from pre-planned Web development packages efficiently while translating the vision of the client.
- Instant transaction capabilities for Web hosting and Web design display the company's quick and easy e-commerce solutions.
- Informative and comprehensive support module covering the entire spectrum of questions and answers shows their eye for detail.
- Portfolio exhibits S.D. Professionals' talent, imagination and expertise in Web development, graphic design, audio, video and photography.

Setting them apart from the competition, the Web site highlights how the company's global partnership has played a vital role in the success of creating innovative designs and reliable, result-driven solutions at affordable prices, such as: monthly Web hosting for \$3.99, domain names from \$7.85 and Web design packages starting at \$299.00.
