

## **Free IVF Seminar May 30th in Columbia, SC**

*Meet well-known fertility physician, Dr. Gail Whitman-Elia, May 30th at 6:00pm.*

West Columbia, SC, May 18, 2007 --(PR.com)-- Dr. Gail Whitman-Elia, well-known fertility expert and board certified reproductive endocrinologist, will conduct a basic overview of infertility and its causes in a free seminar May 30th.

Learn the latest in fertility therapies and have the opportunity to speak with personally with Dr. Whitman-Elia, the founder of the [Columbia fertility](#) clinic, Advanced Fertility & Reproductive Endocrinology Institute, LLC.

The program will be held in the Lexington Medical Park 1 Auditorium on the campus of Lexington Medical Center.

This highly-informative session will begin at 6:00pm and refreshments will be served.

Learn about Advanced Fertility's IVF Refund Guarantee and hear from the area's only reproductive physician awarded for her compassionate care by a local non-profit group dedicated to quality patient care.

Space is limited. Call 803-939-1515 and reserve your free seats today.
