

Richard Jennings Appointed CEO of Mediscan Staffing Services

Woodland Hills, CA, May 28, 2007 --(PR.com)-- Mediscan Staffing Services announced that Richard Jennings has been named Chief Executive Officer of the company. Jennings is a health care executive with 10 years of general management experience. Val and Emily Serebryany, the owners of Mediscan, will continue to be actively involved with the operations and sit on the Board of Directors of the company.

“As Mediscan prepares for the next phase of its corporate evolution, we are pleased to acquire a CEO with strong leadership and vision,” stated Val Serebryany. “Appointing Richard to be the CEO of Mediscan strengthens our depth and breadth of corporate management. He is a successful executive who brings a proven track record of implementing strategic changes and growth initiatives,” Emily Serebryany said.

“I am honored to have been selected to lead this organization during this exciting time of expansion for the company,” stated Jennings. “Mediscan is a quality provider of temporary staffing to the healthcare industry, and I am committed to working with Val and Emily to ensure that Mediscan remains one of the premier staffing providers during our growth. The Serebryany's have been the driving force behind this company over the past 12 years and have positioned the company well for its future success,” Jennings said.

Before joining Mediscan, Richard Jennings worked with CFHS Holdings Inc. as the Administrator of the Daniel Freeman Memorial and Marina campuses. Additionally, he has been actively involved with the American Heart Association fundraising efforts in Los Angeles. Prior to that, Jennings served as the CFO of the Woodland Hills Chamber of Commerce and worked as the Associate Administrator of the Encino-Tarzana Regional Medical Center. He has also held a series of positions with increasing responsibilities in Child Care and Infant Care Sectors of Kimberly Clark Corporation from 1995-2000. He holds a Bachelor of Science degree in Chemical Engineering, and a MBA from Harvard Business School.

Mediscan Staffing is a 40 million company respected nationwide for its experience in providing qualified professionals in the areas of radiology, nursing, respiratory care and rehab. Mediscan is one of the premier health care staffing firms in the US and places per diem, long term and travel assignments at major hospitals, long-term facilities and government sector.
