

Kenneth Brown Design Goes Online with MSN Shopping

Celebrity interior designer Kenneth Brown and MSN Shopping have teamed up to bring today's hottest interior design ideas, trends and tips to the online community. This month Kenneth shares his ideas about summer and covers hot color combinations for a cool summer look, sizzling outdoor rooms and fabulous French faux bois mirrors, chairs, benches and lamps.

Los Angeles, CA, June 05, 2007 --(PR.com)-- Celebrity interior designer Kenneth Brown and MSN Shopping have teamed up to bring today's hottest interior design ideas, trends and tips to the online community.

MSN Shopping will feature seasonal content created by Kenneth that will help inspire users to transform their living spaces with his simple yet sophisticated design tips. This month Kenneth shares his ideas about summer and covers hot color combinations for a cool summer look, sizzling outdoor rooms and fabulous French faux bois mirrors, chairs, benches and lamps.

"I'm thrilled to be able to reach a new audience online and hope that design fans at MSN Shopping find inspiration and see that every budget deserves good design," said Kenneth Brown.

MSN Shopping combines helpful shopping advice with a vast selection from over 8,000 stores to provide a convenient and useful shopping experience.

About Kenneth Brown:

Kenneth is one of Los Angeles' most sought-after celebrity interior designers. His work has been featured in numerous design publications and on his own top-rated television show, reDesign, on HGTV. House Beautiful and Western Interiors recently named Kenneth as one of the top 100 Designers in America.

Though most acclaimed for his trademark blend of Southern hospitality with clean Southern California lines, Kenneth has the unique ability to work within various styles. His choice of fabrics and accessories and the simple manner with which he uses them, result in a look that is timeless, warm, and distinctly Kenneth Brown.
