Whether trucker fleets are 1 or 100 trucks, UC Factors may be able to help with freight bill invoice factoring and funding. UC Factors has been providing account receivable funding and factoring small to mid sized businesses since 1976, becoming specialists in helping the trucking, hauling, and delivery industry as well as manufacturers, distributors, transporters and distributors with their cash flow needs through factoring. UC Factors provides factoring lines up to \$2,000,000. That's why, even as a start-up, UC Factors may be able to help.

Now businesses can stop worrying when or if that freight bill or account receivable will pay and spend more time growing their business. Getting funded is fast and easy. Visit www.UCFactors.com or contact the Houston Office at (281) 438-3877

Email: iris.welch@ucfactors.com

The Houston office representatives travels to all cities in Texas, offering factoring funding programs to meet the needs of Texas businesses.
