

topseos.com Announces Release of the First Issue of the Visibility Magazine in July, 2007

Plymouth, IN, July 02, 2007 --(PR.com)-- “Yes, the very first issue of Visibility magazine has hit the printers. The wait has almost come to end. Personally, I am extremely satisfied with the way it has turned out. It's a must-read for anyone involved or interested in the internet marketing business,” Bill Peden said while announcing the release of Visibility magazine.

Visibility Magazine marks the entry of topseos.com into the traditional print media. Already, an established name in the digital world - topseos.com has since its beginnings five years back, become a one-stop shop for the best vendors in the industry to showcase their products and services.

topseos.com has become synonymous with new and innovative initiatives.

“Visibility Magazine is a feather on our cap. Based on the queries we have got so far, we are anticipating advertising spaces to fill up soon. And I know that internet marketing enthusiasts are keeping an eye on their mailers this July.” Bill Peden added.
