

The Texian eBusiness Limited Company dba DFWeBiz is Now Open for Business in North Texas

DFWeBiz, a new company in Cedar Hill, Texas is now available for SMB web products and services (design, development, hosting, ecommerce, email marketing)

Cedar Hill, TX, July 04, 2007 --(PR.com)-- The Texian eBusiness Limited Company (TheTexian), a Texas domestic limited liability company based in Cedar Hill, announces the introduction of www.DFWeBiz.com .

DFWeBiz, has partnered with AIS Media, Inc, of Atlanta, Georgia, to offer professional business web design, web development, web hosting, email marketing, and ecommerce products to small and medium businesses in Dallas-Fort Worth and North Texas.

In addition, TheTexian offers technology consulting and hardware and software sales to its web clients and others. TheTexian is a member of the Cedar Hill Chamber of Commerce and has partnered with leading hardware and software vendors to provide the best possible service for its clientele.

Whether prospective clients need a newly developed website and online store, or freshening of a current website, DFWeBiz can provide a full range of web products and services. Additionally, it can provide development of any sort of web based application for intranets or extranets.

TheTexian and DFWeBiz were founded by Dana L Wooley, a former corporate IT Director with more than 20 years of technology experience. www.DFWeBiz.com is ready to serve small and medium businesses in all industries. While, its target market is Dallas, Tarrant, Denton, and Collin counties of North Texas, it is available to service the broader adjoining areas.

For turnkey, professional business web design, ecommerce, and web development, visit www.DFWeBiz.com today.
