

Dustpan Recordings Releases Second EP “Inspirations” by Saint Laurent

Singapore, Singapore, July 13, 2007 --(PR.com)-- Dustpan Recordings has released it's second EP - “Inspirations” by Swiss International DJ/Producer, Saint Laurent.

The release includes two deep house tracks, “Tashou” and “Bella.” Featuring soothing baselines, lush percussion and ethereal sounding cords, they are perfect for creating a relaxed and chilled-out atmosphere at home or in lounges.

“Inspirations EP” is now available for purchase at leading online music stores Call-a-record (Germany), Juno Download (UK) and Stompy (San Francisco, USA).

Based in Singapore, Saint Laurent has been involved in the local dance music scene since 2005. He has played his unique blend of funky electro-house music at clubs such as Coccolatte, Barbaablackchic and KM8 at Sentosa. Earlier this year, he was featured on Lush 99.5, a national radio station run by MediaCorp. Currently, Saint Laurent is resident DJ at CubeRadio, an online music station.

To celebrate the release, Dustpan Recordings is organizing a party at Barbaablackchic later this month.

What: Dustpan Recordings Presents: Kane Ian, William, Saint Laurent, DJ Den, Chris Sorensen (US), Daniel Storey (UK)

When: July 14th

Where: Barbaablackchic, 10 Perak Road

Looking ahead, Dustpan Recordings has also signed Tiberiu Fratila aka. T.B.F from Romania who is slated to produced the label's 3rd release. More information be announced soon.

For more information on upcoming events, releases, artists and bookings, please contact Kane Ian at ian@dustpanrecordings.com.

About Dustpan Recordings

Dustpan Recordings is a music label based in Singapore, a global melting pot where the groove of the West meets the vibrancy of the East.

They seek to promote, create and distribute house music, and in doing so transmit its positive energy and message to people all over the world.

Their music will move your body, uplift your soul, and most importantly, uphold the spirituality of the vibe.

If you share their vision and passion for house music, Dustpan Recordings would like to hear from you.
