

Hedge Fund Solutions and Risk Management Announce Partnership

New York, NY, July 17, 2007 --(PR.com)-- Hedge Fund Solutions (HFS) and Risk Management Solutions (RMS) announced today they are partnering together in order to feature comprehensive background investigations as part of HFS's services to their clients. These reports enable fund of fund managers, individual high-net-worth qualified clients, financial institutions and corporations to minimize their investment risk by performing this critical step in the due diligence process.

With RMS's boutique offering of worldwide public record research, Risk Management Solutions, a division of FSE, LLC, is a leading provider of background investigation solutions. Their team has over 40 years combined experience in the industry, having handled thousands of investigations across the globe.

“The Hedge Fund Solutions team is delighted to feature Risk Management Solutions on our product platform,” said Cory Wolf, Director of Business Development at Hedge Fund Solutions. “This agreement demonstrates our ambition to bring our clients the best products and services available. RMS has a great reputation for competence, fast turnaround time and superb customer service, and we are very excited to be working closely with them to bring our clients the best solutions possible.”

“Hedge Fund Solutions is a leading provider in their industry and we are extremely pleased to be offered as a service to their clientele” said Ted Fox, President and Founder of Risk Management Solutions. “The joint agreement between both firms shows the commitment to improving services within the investment community.”
