

ATSCappers.com Fantasy Sports Contests Announces Fantasy Contests for NFL, NBA, MLB & NCAA

ATSNetwork.com announces ATSCappers.com a community based website that offers Free Fantasy Sports Betting Contests, Free Sports Picks, great prizes and a chance to become an ATS Capper with the option of selling your own sports picks.

Las Vegas, NV, July 21, 2007 --(PR.com)-- ATSNetwork.com (www.atsnetwork.com) announces the launch of ATSCappers.com (www.atscappers.com) a sports community based website that offers Free Fantasy Sports Betting Contests, Free Sports Picks provided by the ATS Capper Community, great prizes and a chance to become an ATS Capper with the option of selling your own sports picks. ATSCappers.com offers Fantasy Sports Contests for NFL, NBA, MLB and NCAA football and basketball.

The ATSNetwork is home to some of the top sports handicappers on the Internet and now with launch of ATSCappers.com you will have the opportunity to test your capping skills for great prizes or become a registered ATS Capper selling your own sports handicapping picks.

ATSCappers.com currently offers three Free Fantasy Sports Contests: "Dirty Dozen," "MLB Monthly" and "Money Shakers."

Dirty Dozen is determined by longest winning streak achieved against the line. If you hit a streak of 12 picks in a row, you win \$1200 ATS Contest Bucks or can pick from a list of great prizes including a plasma TV.

MLB Monthly contest winners are determined by units won. All top three MLB units earners are paid out monthly in ATS Contest Bucks or from their prize list. The most units over a 30 day period takes 1st place.

Money Shakers is the All Sport Wagering Contest that puts all handicappers against each other. Money Shakers gives you the opportunity to test your sports handicapping skills against the ATS Community.

On September 1, 2007, ATSCappers.com will introduce "NFL Monthly" for the football enthusiast to show off his or her skills in pigskin.

"This allows all the people who think sports handicapping is not a hard career to test their sports handicapping skills for free. I also think it will be a great tool to discover some of the up and coming talented handicappers in this business plus you can win some great prizes. It truly is a win/win," remarked Red Hansen, a capping legend at ATSExperts.com

The entire ATSNetwork provides online sports informational services as well as numerous member benefits for any sports enthusiast.
