

PR.com Presents it's Most Candid and In-depth Interview Yet, In a No Holds Barred Conversation with My Fair Brady's Adrienne Curry and Christopher Knight

PR.com's Senior Editor, Allison Kugel, hosts a three way uncensored conversation with Christopher Knight of "Brady Bunch" fame and Adrienne Curry from "America's Next Top Model," currently both of VH1's hit reality show "My Fair Brady."

New York, NY, December 12, 2005 --(PR.com)-- PR.com is fast becoming known for its in-depth and conversational interviews where celebrities reveal more than they have with any other publication; online or newsstand. This latest interview with My Fair Brady's [Christopher Knight](#) and [Adrienne Curry](#) is certainly no exception! Filled with personal information never before documented in the press, and unforgettable sound bytes, this interview is a must read!

Just a few memorable sound bytes from the interview, entitled "[My Fair Brady's Adrienne Curry & Christopher Knight: The Raw and Uncensored PR.com Interview](#)":

"I think it's terribly irresponsible, but not unexpected from the Scientologists... I think it's easier for the Scientologists with their special brew of subtle manipulation and mind control to be supplying a lot of what ADD sufferers might need... I certainly don't think of Tom Cruise and John Travolta as stupid people. But I don't understand how anybody who is two notches above idiot can really buy in [to Scientology] as deeply as they have." - Christopher Knight on Scientology as it relates to his ADD

"And unfortunately as a result, this is my world being polarized. [Florence Henderson] doesn't want to have anything to do with Adrienne and has lost respect for me... She is not respectful of my choice." - Florence Henderson does not respect Christopher's choice to be with Adrienne

"We were told throughout the taping of the show that the winner would have a huge cosmetics deal with Revlon... What ended up happening was, I found out later on when I was waiting around for this deal that never showed up... I was told that it was just convention work... The show did get my foot in the door, but it didn't work out the way that I thought it would. We were told something quite different than what happened and it's just a learning process." - Adrienne Curry on being misled about the deal with Revlon from "America's Next Top Model"

"There are no cameras in our bedroom; none on the walls. We'd shut the door and tell them to get out. We're definitely not making a Paris Hilton sex tape." - There are some things Adrienne Curry won't do on camera, during the filming of "My Fair Brady"

"People still think I'm 14 years old and I'm not. And I'm not Peter Brady, although Peter was a part of me. I am a new person. If I'm going to be recognized for the rest of my life anyway, I might as well benefit by jumping in..." - Christopher Knight's explanation for jumping on the reality show circuit

Intro:

Shortly after VH-1 announced the news that they were picking up a second season of their hit reality series, My Fair Brady, I had a sit down conversation with the controversial couple themselves: America's Next Top Model, Adrienne Curry and the love of her life, fiancée and Brady Bunch alumni, Christopher Knight. This is the rawest and most candid interview that either of them has done to date. Between Adrienne and Chris, they pretty much took over and interviewed each other, with me refereeing of course. His fame was created on The Brady Bunch and her fame was created on the first season of America's Next Top Model. He's 49 and a show business veteran. She's 24 and a larger-than-life newcomer. Their courtship began on VH-1's The Surreal Life and continued with My Fair Brady, which culminated in a tearful marriage proposal in the first season's final episode. Now these two are gearing up for the second season of My Fair Brady and the cameras will be there as this May/December couple plan their nuptials.
