

FastCommerce.com Announces That Small Online Retailers Continue to Sign Up for the Free Online Store with Free Shopping Cart Service

FastCommerce.com (www.fastcommerce.com) announced today that small online businesses continue to sign up for the Fast Commerce free online webstore with free ecommerce and free shopping cart.

San Mateo, CA, August 07, 2007 --(PR.com)-- With FastCommerce.com (www.fastcommerce.com) small business retailers can now sell online with an online storefront that is easy to use and free: free to set up and free to use for up to 50 products. The free internet stores from FastCommerce can be set up in minutes. With FastCommerce.com, online retailers can start selling right away with a complete, and completely free, ecommerce package.

The Fastcommerce.com package comes with a serious set of tools: a free online presence, free hosting, online catalog with featured and related products, live shopping cart, order management and customer contact management, inventory, shipping rate calculator for UPS and FedEx, auto-email responder for order and shipping confirmation, and more. With FastCommerce.com you can run most of your online business from a single system.

And you can run the FastCommerce single-system free webstore at no risk and at no cost for the first 50 products. It doesn't get easier than this. Stop wasting time with 'free trials': with FastCommerce you can sign up and sign in to start your online business right away.

Build your online business for free with the FastCommerce eCommerce package. You not only get a free webstore and free shopping cart, you get the tools you need to grow your business online. With our free internet stores, there is no waiting, no free trial. Sign up and sign in to build your webstore in minutes, and then start selling right away.

Go to www.fastcommerce.com and start building your online business now.
