*The Chopra Center for Wellbeing gave Bill Farley the idea to use this ancient secret in Mr. Farley's new Zrii super tonic.*

Chicago, IL, August 20, 2007 --(PR.com)-- William Farley, Chairman and Owner of Farley Industries based in Chicago, IL and former CEO of Fruit of the Loom, bought his first company, Anaheim Citrus Products, in 1976. In 1977, he acquired Baumfolder, a subsidiary of Bell & Howell. Farley also became a part owner of the Chicago White Sox in 1976.

Today, Mr. Farley is about to launch a new Nutraceutical home business opportunity called Zrii™. Bill Farley has been associated with the Chopra Center for Wellbeing™ for many years and it all started when Mr. Farley met with the Chopra Center and learned about Amalaki. The ancient secret found in the Zrii™ super tonic is Amalaki and the Chopra Center for Wellbeing™ wholeheartedly endorses Zrii™. Chad Hershey of The Pinnacle Group is a founding marketing member of Zrii™; which can be viewed at [ManifestCashNow.com](http://ManifestCashNow.com).

Amalaki (*emblica officinalis*) grows at the base of the pristine Himalayan mountain range in northern . In its pantheon of thousands of fruits and herbs, Ayurveda describes amalaki as the single most important botanical for promoting cellular rejuvenation, immune function, and increased vitality.

Simply stated, Amalaki has one of the richest and most documented legacies of any fruit known today. In fact, Amalaki has been revered as the “Nurse”, the “Great Rejuvenator”, and the “Fruit of Immortality” for centuries, due to its numerous healing properties and its ability to nourish the body on all levels. This little fruit even has its own holiday in which families share a meal under the tree, while giving thanks for the strength and luster promoted by the fruit.

In tasting Zrii™, the purity of the Amalaki, and 6 supporting active ingredients comes through in the vibrancy of the taste. The ability for a food or drink to “enliven the tongue” is a hallmark of Ayurveda's use of food for healing. In combining the Amalaki with anti-oxidant-rich juices such as pomegranate, grape, cranberry, and raspberry juice, the resulting blend is delicious, with a nutritional complexity that offers a wholly unique and exciting flavor.
