

King and Companies is Pleased to Announce Its New Radio Talk Show, Kings Corner

King and Companies recognizes the demands people face when dealing with Insurance issues.

Burnsville, MN, September 01, 2007 --(PR.com)-- King and Companies, an Employee Benefit Firm and Independent Insurance Agency, is pleased to announce its new radio talk show, King's Corner Radio, airing on AM 1570 Saturdays at 5pm. The purpose of Kings Corner Radio is to provide Minnesotans with education that impacts insurance options and health care dollars. Registered Health Underwriter (RHU) and President and Founder of King and Companies, Sandra Schlaefter, created, and will be hosting, King's Corner Radio. Sandra Schlaefter stated, "We're excited to have this opportunity to educate fellow Minnesotans on insurance issues that impact their wallets."

King and Companies' mission is to enhance their clients experience by providing the Human Touch to Insurance through innovative programs for employers, employees, individuals and seniors. King's Corner Radio will air every Saturday at 5pm on AM 1570.
