

LSKoncepts.com Unveils New Website with New Classifieds Section

LSKoncepts.com unveils their new updated website that has live help chat and a new classifieds section.

Knoxville, TN, September 22, 2007 --(PR.com)-- LS Koncepts, Inc. (www.lskoncepts.com) unveiled their new website on September 21, 2007. The new and updated website features a user friendly live help chat line as well as a classifieds section.

The live help chat line will enable customers to speak with a representative instantaneously on the web if they have any questions about the products offered. This will be a great way to help the customer make a better choice in products before they make a purchase.

LSKoncepts.com has added the classifieds feature to help customers sell their unwanted car parts or anything else they have. This service is on a pay per item basis. Each new customer will receive \$10 as a sign up bonus.

LS Koncepts has been known for its niche market for the Lincoln LS. They will now branch out to other luxury sedan markets that will include Audi, BMW, Infiniti, Lexus and Cadillac. They are planning numerous new products for those cars in the next two months. Products that will be offered are intake kits, body kits, wheels, accessory items and much, much more.

As of September 21, 2007, LS Koncepts, Inc. sells luxury automotive parts and accessories through its premier website located in the United States. LS Koncepts, Inc. is the leading retailer for Lincoln LS and Lincoln LSE replacement parts and accessories in the United States.
