

## **Shipping Sidekick Launches Discount Shipping & Moving Supply Store**

Aberdeen, SD, September 25, 2007 --(PR.com)-- Shipping Sidekick ([www.shippingsidekick.com](http://www.shippingsidekick.com)), the web's leading shipping rate comparison website, has launched the Shipping Sidekick Shipping & Moving Supply Store providing padded mailers, shipping boxes, moving supplies, tape and related items at great prices. The Shipping Sidekick store may be accessed by clicking [www.ShippingSidekick.com](http://www.ShippingSidekick.com).

Shipping Sidekick shows the shipping rates and estimated delivery times of DHL, FedEx, UPS, and the US Post Office side-by-side. Shipping Sidekick is completely free to use and saves you money by showing you the best shipping price for your package. Comparing shipping prices used to mean going to each shipper website and entering the package data over and over. With Shipping Sidekick, this can be done all in one place in less than 30 seconds. Shipping Sidekick also provides numerous resources for shipping insurance, moving, freight and more. With the new Shipping Sidekick Shipping Supply Store, users may also purchase shipping and moving supplies online at discount prices from the same website. All orders are shipped within 48 hours and are shipped free of charge.

"The Shipping Sidekick Store is something our users have indicated they are looking for and is a great fit for our website," said Jacob Lakhany, Business Development Manager, Shipping Sidekick. "Shipping supplies will now be available right on our website at prices that are hard to beat. The store will offer free shipping on every order and also carries a full selection of moving boxes and kits for those who are relocating. This is one more addition in our pursuit of becoming the online shipping and moving headquarters."

For more information or to get package rates, please see [www.shippingsidekick.com](http://www.shippingsidekick.com) or email [sales@shippingsidekick.com](mailto:sales@shippingsidekick.com) for more information about the Shipping Sidekick.
