

Watch Dog Reports Endorses The Powerhouse Marketing System

Watch Dog Reports endorses the Powerhouse Marketing System to teach students how to become effective and successful marketers. This program comes with step-by-step online training videos and e-books that reveal tested and proven techniques for any business or product online.

Miami, FL, October 10, 2007 --(PR.com)-- "The Powerhouse Marketing System in the Perfect Wealth Formula was created by Jason Pearson. This powerful system teaches folks how to become effective successful marketers in a nutshell," according to Watch Dog Reports.

Watch Dog Reports, "The Perfect Wealth Formula is an affiliate program; you get a ready-made affiliate website page of your own, where you can sell the marketing products. You earn commission from your very first sale; you don't have to pass up 1 or 2 sales like many other programs. In addition to the instant \$400 and \$1000 commissions, members receive unlimited \$100 and \$200 marketing bonus overrides on all members who join on their 2nd level."

When asked what attracted Watch Dog Reports to endorse the Powerhouse Marketing System, they said, "It is what's in the whole package. It comes with a marketing system that any online business must have - whether newbie or experienced, the incredible internet marketing knowledge, the pay plan... the opportunity to generate immediate cash is really exciting and the leverage that comes with the 2 level compensation plan."

Watch Dog Reports, "The Powerhouse Marketing System is proven and produces amazing results. It provides home based internet businesses with beneficial, very important marketing knowledge. This system has Step by Step online video training and reveals profit-producing, easy to implement techniques, even internet newbie's and stay-at-home moms or dads are making money, some for the first time."

According to Watch Dog Reports, "In order to make money online, you need to know how to drive traffic to your website. This awesome system has the solution; it shows you how to drive targeted traffic to your site. No matter what product or service you offer, qualified or targeted traffic will accomplish more sales and boost your profits."
