"The Other Side Of The Coin" is a compilation of previously published interviews and articles from the KISSFAQ website. It also includes additions to material previously published in the "KISS Album Focus" trilogy and some unpublished material. The unpublished material includes unused magazine articles, sections previously cut from the "KISS Album Focus" books, the "Rock And Roll Over" Tour Focus, and updated "KISS Family Trees" and the "KISS Concertology, 2002-7." The "Rock And Roll Over" Tour Focus is an in-depth look at KISS' Winter Tour 1976/7 with the earliest known setlist from that tour.

KISSFAQ's previous book, "The Kiss Album Focus, Vol. 3: Roar of Grease Paint, 1997-2006" was published in December 2006 with the hardcover version becoming available in July 2007 via Amazon:
