

All Pro Trailer Superstore Awarded CarMate Trailers #1 Trailer Dealer in the Nation

All Pro Trailer Superstore, located just outside of Harrisburg, Pennsylvania has been recognized by CarMate Trailers as its number one Trailer Dealer in the Country, an achievement based on retail sales for the 2007 model year.

Harrisburg, PA, November 02, 2007 --(PR.com)-- All Pro has been one of Car Mate's top trailer dealers for over 20 years and is honored to be their number one trailer dealer for 2007. "We truly understand the importance of the trailer purchasing experience to our customers," remarks Jake Wagner, owner of All Pro "Our successes are driven by our daily focus on our company purpose of making customers for life and our continuous search for ways to add value to the All Pro experience."

Car Mate Trailers has been one of the nations leading manufactures of Open and Enclosed Cargo Trailers since 1982. Car Mate's trailer line also includes Car Trailers, Equipment Trailers, Utility Trailers, as well as Motorcycle Trailers and ATV Trailers. "The staff and management of All Pro Trailer Superstore are to be congratulated on an outstanding year," said Rick Rathfon, Director of Sales at Car Mate Trailers. "They have been a solid performer for many years but in 2007 they took their operation to another level."

The quality of a Car Mate Trailer is undeniable with their seamless one piece aluminum roof, Dexter Torflex axles, and all LED lighting. It's apparent that Car Mate offers an above average product at a very competitive price. All Pro Trailer Superstore stocks hundreds of CarMate Enclosed Trailers for sale and each trailer can be fully customized or individually built to meet customer specifications.

"Our team can convert a stock enclosed trailer into a custom trailer by configuring bike chocks and floor ties downs to installing custom trailer cabinets, trailer flooring & LED lighting. The possibilities are endless," states Wagner "We turn our customer's ideas into reality by converting their new trailer into exactly what they envisioned."
