

ALLBoats4Sale.com Sets Sail to Become "The Official Boat Listing Website of All Boats for Sale in the U.S."

Developed exclusively for marine industry companies and individual boaters, the ALLBoats4Sale.com registration enables a minimum investment of time to start getting leads through marine industry related websites and e-mail addresses. Companies that specialize in boat sales can certainly post their inventory, but when time is of the essence, at a minimum, potential boat buyers can visit their company website directly.

Lancaster, PA, November 16, 2007 --(PR.com)-- Be sure to visit ALLBoats4Sale.com and take advantage of the "Grand Opening Boat Listing Extravaganza" where all boats listings are free for all private boat owners, boat dealers, boat brokers and marinas.
