

RealBiz360 Announces New Virtual Tour Linking to Yahoo! Real Estate

RealBiz360 .com Teams Up with Yahoo! Real Estate to Link Its Database of Virtual Tours Online

Avondale, AZ, November 13, 2007 --(PR.com)-- Realbiz360 Inc. announced today that its premier real estate portal www.Realbiz360.comTM, will link its entire database of virtual tours to Yahoo!® Real Estate (<http://realestate.yahoo.com>).

Through the agreement, visitors to Yahoo! Real Estate will have access to thousands of specialized listings with virtual tours, which provides a richer, more in-depth experience when viewing homes.

"Virtual tours for real estate properties continue to transform the way home buyers and sellers find and interact with each other. RealBiz360, a technology leader in Big Screen HDZoomTM Virtual Tours and marketing tools for brokers and agents, is pleased to be working with Yahoo! Real Estate, a leading provider of real estate content on the Internet," said Steve Marques, President RealBiz360 Inc. "This agreement enables real estate professionals who use RealBiz360.com to create a world class virtual tour, to have their tours quickly displayed on Yahoo! Real Estate and have greater exposure to home buyers."

"Yahoo! Real Estate is widely recognized as a key marketing avenue that gives agents and brokers increased exposure to their real estate listings online. Yahoo! Real Estate and RealBiz360.com combine to offer a tremendous value-added benefit with RealBiz360.com virtual tour listings, reinforcing the many advantages RealBiz360.com provides to home buyers and real estate professionals," added Marques.

Yahoo! Real Estate is a leading Internet resource that connects people to a new home through a comprehensive set of real estate tools and information, including MLS homes, apartments for rent, home values, local schools and home mortgage rates. Consumers can visit Yahoo! Real Estate at <http://realestate.yahoo.com/>.
