With economic growth that continues to outpace the nation, the Dallas/Fort Worth area is known for many corporate success stories. For the past seventeen years, the SMU Cox Caruth Institute for Entrepreneurship has recognized the fastest growing, privately held members of D/FW business community with the Dallas 100™ awards. This is the first time RMCN Credit Services, Inc. has been honored by the Dallas 100™.

“A considerable segment of the population currently has a need for credit repair. Our quality employees, company's systems and processes, and current market conditions are the keys to our growth.” said Doug Parker, RMCN Credit Services, Inc. Founder and CEO.

The Dallas 100™ pays tribute to the vitality and entrepreneurial spirit of the thriving business community in North Texas. Award winners are those companies making significant contributions to the area by generating thousands of new jobs, increasing the tax base, and fostering the Dallas area's reputation as a premier economic development center.

In order to qualify for the Dallas 100™, a company must be an independent, privately held corporation, proprietorship or partnership; be headquartered in the Dallas area; meet sales growth and absolute dollar growth criteria for a multi-year period; and have a credit report and character satisfactory to the Dallas 100™.

The growth of RMCN Credit Services, Inc. was ranked # 28th among thousands of Dallas Area companies. Many of the recipients of the award are start-ups. RMCN Credit Services, Inc. has over a decade long track record. “We feel honored to be a recipient of this distinguished award and to be recognized by the SMU Cox School of Business” said Mr. Parker.
