

Checker Sedan is the Ride to The Henry Ford

The Henry Ford is a popular history destination which encapsulates five distinct attractions – including Greenfield Village and Henry Ford Museum, attracting tens of thousands of visitors each year. And now, Checker Sedan, Detroit's premier luxury sedan provider, offers service from anywhere in the Metropolitan Detroit area to The Henry Ford.

Dearborn Heights, MI, November 27, 2007 --(PR.com)-- "The Henry Ford and its unique attractions bring American history to life," explained Timothy McCarthy, President of Checker Sedan. "So why not make it a complete family outing and have Checker Sedan pick your family up at the beginning of the day and take you back to your home or hotel at the end of the day."

Spread over more than 90-acres, Greenfield Village invites visitors to experience 300 years of history. Your family will have a great time at the operating steam-powered rail line and a 1800s small-town train depot, taking you inside the great history of railroading. You also get the chance to investigate the only working late 19th-century roundhouse in the Midwest, and see the home where Henry Ford was born, as well as a replica of the factory where he built his first automobiles.

Greenfield Village also has a bevy of artisans and craftsman who work on their crafts as they did in the days of old. See skilled artisans making a variety of products from dishes and glassware to textiles. You could even witness grain processing at the Loranger Gristmill.

And housing one of the largest automobile collections of its kind ever assembled, Henry Ford Museum showcases the people and ideas that have fired our imaginations and changed our lives.

And to top off your tour, spend time viewing movies at the bigger-than-big screen, The Henry Ford IMAX Theater. Here you can see current releases, cinema classics and feature-length documentaries in superb, sense-surrounding detail.

Checker, www.checkersedan.com, was established in March 2000 and has become the fastest growing chauffeur-driven licensed luxury sedan company in Metropolitan Detroit. Checker Sedan is an affiliate of Soave Enterprises, a privately held management and investment company founded by Detroit businessman Anthony L. Soave. Checker Sedan is the official curbside luxury sedan provider for Detroit Metro Airport.
