DVDCDGame.com has grown today to be one of the largest popular online DVD movie and music CD stores on the web. With over 100,000 titles to choose from and its streams of latest movies and music releases, it is no surprise that the company has grown tremendously over the past few years.

Orlando, FL, November 30, 2007 --(PR.com)-- DVDCDGame.com has grown today to be one of the largest popular [online DVD movie and music CD](#) stores on the web. With over 100,000 titles to choose from and its streams of latest movies and music releases, it is no surprise that the company has grown tremendously over the past few years.

Owned by NeatCommerce, Inc., this humble start-up company was established in 2002. It was started by classic and modern movie enthusiasts and computer programmers. Their first endeavor was selling DVD movies on eBay. But due to their excellent customer service and reliable business, the company decided to expand and acquired the CriterionDVD.com Website in 2003.

CriterionDVD.com was known to many movie lovers in the world as a forum for discussing the Criterion Collection, a continuing series of important classic and contemporary films, dedicated to gathering the greatest films from around the world and publishing them in editions that offer the highest technical quality and award-winning, original supplements.

Greg Grohmann and his team's pursuit of customer service excellence and business commitment soon saw them launching the new CriterionDVD.com site in 2004, which not surprising was yet another big success. Their success secret is - Excellent customer service and fast shipping with a tip-top customer loyalty program. This company also offers Free shipping in USA and Canada.

Due to the popularity of DVDs and great customer demand in 2007, NeatCommerce, Inc. again expanded to a full catalog Website offering all DVD movies available in USA as well as music CDs and video games.

Their latest new baby DVDCDGame.com was also launched in 2007 and has immediately attracted many new customers and not forgetting their bands of loyal existing customers. DVDCDGame.com was built upon the success of world renowned CriterionDVD.com - a Criterion Collection Portal for DVD movie fans from around the world.

Greg Grohmann is the marketing director of DVDCDGame.com mega store, one of the worlds largest popular online Movie DVD and Music CD sources on the web with well over 100,000 titles. Learn more about HD DVD or get updated with the latest music CD releases.
