

## **MATCHhotels.com Launches Hotel Reservations for Hotels Near Rugby Stadiums**

*Sports travel website MATCHhotels.com expands to help rugby fans locate and book accommodation near rugby stadiums in Europe. 53 rugby stadiums and over 10,000 European hotels and bed & breakfast accommodation added to hotel reservation service.*

London, United Kingdom, December 03, 2007 --(PR.com)-- [Sports travel](#) website MATCHhotels.com extends its service to sports fans, adding European rugby stadiums to its hotel reservation service. Rugby fans now have access to 53 rugby grounds and 10,000 hotels and bed & breakfast accommodation near rugby stadiums.

Rugby Union teams and stadiums from the Guinness Premiership, Magners Celtic League and French Top 14 together with Rugby League teams from the Engage Super League have been added to the site. All national stadiums for Six Nations teams England, Ireland, Scotland, Wales, France and Italy have also been included.

The Six Nations tournament kicks off on Saturday 2nd February through to Sat 15th March. The extensive MATCHhotels.com coverage of the key rugby grounds makes it the most comprehensive map based [rugby hotels](#) reservation site on the Internet.

Fans can check match day availability and see available accommodation on a map with precise distance information to the rugby stadium. Accommodation is listed with prices from each of the seven travel web sites searched, allowing fans to compare prices and book cheap hotels online in minutes.

MatchHotels.com Director Ben Jackson commented, "The Rugby World Cup final at Stade de France highlighted the problems in finding accommodation near major sporting events. MATCHhotels.com has tackled rugby stadiums and hotels harder than Martin Johnson in his hey day! We are now fully prepared to help rugby fans find accommodation for league games and the Six Nations tournament."
