Kathy Abell is featured in the November 2007 Better Homes and Gardens Magazine.

San Diego, CA, December 06, 2007 --(PR.com)-- Kathy Abell, Interior Designer displays her home's casual cottage style. Displaying her skillful balance of colors, textures and patterns, the design of Kathy's home gently flows from room to room. A coastal feel also permeates the design by her use of woven trays, bamboo, beautiful florals and seashells. Using vintage furniture pieces along with rustic wooden storage boxes and woven window coverings and lampshades, create an environment that family and friends find comfortable and inviting in the Abell home.

An article featuring Kathy Abell was also in the September 2003 edition of San Diego Home and Garden Magazine at the opening of her new showroom. She has also been featured in the July 2002 San Diego Home and Garden Magazine for her kitchen design in the 2002 Showcase House. In addition, Kathy has been featured in a Better Homes and Gardens special issue of Windows and Walls.
