

## **Baby News for Claudia Black**

*Congratulations to Claudia Black on the birth of her son, born in November.*

Los Angeles, CA, December 07, 2007 --(PR.com)-- Claudia Black has made a name for herself portraying sexy, strong-willed TV characters in the science-fiction and fantasy realm. In addition to her four-year run as Officer Aeryn Sun on TV's Farscape, Claudia had a recurring role on TV's Stargate SG-1, as Vala Malduran. She is a voice over artist as well who does audio books, animation, and feature films. Claudia is a member of Precision Talent's elite voice over talent pool known as the 100 in and is involved in several productions soon to be released.

Precision Talent's president Cheryllynn Carter stated; "Claudia is one of those truly beautiful people inside and out. Her children are just eat'um cute and this latest little guy looks like he can take on the world...and win." She went on to extend well wishes and congratulation to mom and son.
