

## **In an "I Object! Justice Examined" Interview, Jim Rogers Says in His Opinion That Bernanke Should be Impeached and Presidential Candidates Other than Ron Paul are Clowns**

*Jim Rogers suggests that in his opinion Bernanke should be impeached and that Ron Paul's presidential competition is composed of clowns.*

New York, NY, December 07, 2007 --(PR.com)-- Jerri Lynn Ward announces the extended availability of her interview with Jim Rogers. During the interview on "I Object! Justice Examined" airing on Right Talk Radio, the legendary commodities trader, Jim Rogers tells his host Jerri Lynn Ward that in his opinion Bernanke should be impeached if Bernanke believes the things he said in response to Ron Paul's questioning during the November 8, 2007 joint Congressional Committee Hearing. He also had some choice words for Ron Paul's presidential competition.

The replay can be listened to up until 2 PM ET, Friday, December 7, 2007 at Right Talk Radio, which streams across the internet. You can listen by clicking [here](#).

Following that, it will replay over the weekend and will be available at Right Talk to download as a podcast.
